# Prayer for Jubilee

Jubilee provides us with a reminder of God's mission of justice, restoration, and His sovereignty. A foretaste of what heaven will be like. As Christians, we are called to continue the spirit of Jubilee, to reflect God's mission of restoration on Earth today.

Let us pray for Jubilee in our lives, neighbourhoods, country, and around the world.

- ▶ Pray for Birungi and all those living in the Democratic Republic of Congo. Pray that God would restore this nation and many people would be lifted out of physical, social, and spiritual poverty. Pray that the threat of rebels would cease and that the DRC gets a strong, wise, government.
- ▶ Pray for the world's poor and that the effects of COVID-19 would be minimized.
- ▶ Pray for our work around the world, that God would bless our partner churches as they minister to the poor and proclaim His light to their communities.
- ▶ Pray that God would bless the poor, that they would be able to escape poverty and experience life in all its fullness.
- ▶ Pray that churches in Canada continue to shine the light of Christ to their communities. Pray that God would strengthen them and provide them with wisdom and His Spirit during this uncertain time.
- ▶ Pray for justice in Canada and the many communities we work in. Pray that righteousness prevails and that wrongdoing will be exposed.
- ▶ Pray for world leaders – both here in Canada and around the world. Pray that God gives them wisdom to make decisions in this difficult time. Pray that God gives Christians, churches, and organizations like Tearfund favour in their eyes as they spread God's restoration to the world.
- ▶ Pray that people would come to know God during this time. That people's hearts would be opened and transformed. Pray for your own heart, that it would be open to justice, mercy, and trusting in the Lord.

Thank you for praying with us. You can continue to pray with us by signing up our monthly prayer email at [www.tearfund.ca/pray](http://www.tearfund.ca/pray)
