“And the angel said to them, ‘Fear not, for behold, I bring you good news of great joy that will be for all the people.’”

Luke 2:10

COVID-19 – COVID-19 continues to devastate families and individuals all around the world. Please join us in prayer as we remember those who are gravely affected and have suffered personal losses. Pray for all the countries and it’s leaders, that God would lead and guide them in battling this pandemic.

Please pray also for Tearfund, as we continue to work with our partners around the world in responding to the most vulnerable families, and as we seek to be a beacon of hope to all who are most affected by COVID-19.

Latin America – Please pray for the families in Central America, as they have been affected by hurricanes these past few weeks. Pray that God would bring comfort to those who have been greatly affected, that food and other essentials would be provided to them.

Pray for our partners as they respond to the hurricane victims, that they would have the strength and protection as they work.

Ethiopia – Pray for peace in Ethiopia, as more than 40,000 people have fled the country because of a conflict that started in the Tigray Region. Aid groups fear that the conflict could trigger a humanitarian crisis and destabilize the region as hundreds of people have already lost their lives. Pray for everyone’s safety, and comfort to families who lost loved ones in this crisis.

South Sudan – Our partners in South Sudan are asking for prayers for peace, as people fear internal violence. Pray for our partner’s safety as they carry out their projects. And pray for the country’s leaders, that God would give them the wisdom in leading and solving conflicts from different groups.

Liberia – Please pray for our partners in Liberia as they find ways to serve the most vulnerable people in the country. Pray for the people’s safety and good health as COVID-19 also affect them, and pray for people to donate so they will be able to implement their projects.

DR Congo – Please pray for peace and security in the DRC, as many families fear internal violence from rebel groups. Pray for the people’s safety and protection, as they still face the pandemic in the midst of all the tension. Pray for the everyone that is suffering, that God’s comfort would be upon all of them.

India – Please pray for the families in India, for their health and safety during this time of pandemic. Pray for our partner’s health and safety, and that all their planned response programs will be funded and implemented so they can help the most vulnerable in this time of great need.

Thanksgiving – The Lord remains faithful and good, despite all the tribulations. The Christmas season is the time of celebration and joy and it’s a clear reminder of the birth of our Lord and Savior Jesus Christ. As we look back in 2020, despite the challenges, we see people empowered, families impacted, and lives transformed. This is all possible because of you. We give thanks to the Lord for your life, for all the projects that we’re able to do, and for everything that He has done. Praise be to our God!
