“Therefore, if anyone is in Christ, he is a new creation.
The old has passed away; behold, the new has come.”

2 Corinthians 5:17

First Nations Project – Join us as we celebrate and praise God for the successful return of the Buffalo to the Cote First Nation in Eastern Saskatchewan! On December 13, the Buffalo was transported and unloaded at the Cote First Nation reserve for the first time in over 150 years. Tearfund Canada has partnered with a ministry of Youth With A Mission (YWAM) called Loko Koa to plant a herd of 22 buffalo—20 female and 2 male—on Cote First Nation land, as an act of reconciliation and source of affordable protein.

Continue to pray for this project, that God would use it as a beacon of hope for the First Nations community, and that healing and reconciliation would continue to happen.

Ethiopia – Continue to pray for Ethiopia. The country is still being ravaged by war; young people are dying, people are losing their livelihood, and are being uprooted from their houses and villages.

Pray that God would continue to move in Ethiopia, that peace would be eventually achieved.

Please pray for our local partner, Terepeza Development Association. Just recently, an incident happened where their compound was attacked by robbers, resulting to two guards being seriously wounded. Motorbikes and

equipments were also taken. Pray for their protection, healing, and that justice would be served.

South Sudan – Every day, many people in South Sudan live in fear under the threat and reality of violence, climatic shocks and poverty. The floods that started around June which ravaged and displaced many families has yet to recede.

Please pray for the country, that God’s divine providence would be upon the people, pray for the floods to recede, so families can go back to their homes. Pray for their protection, and that relief help would reach them.

DR Congo – We praise God with our local partner in the Congo. Two of our projects have ended which resulted with thousands of individuals trained in Conservation Agriculture and Village Savings Groups. This is all made possible with your help. Pray for these individuals, that God would lead and guide them, as they live transformed lives, and reach their God-given potential.

Pray also for our partner, the Community of Baptist Churches in Central Africa (CBCA), that God’s guidance would also be upon them, as they design new projects for the community.

Kenya – We have received an update from our Village Savings and Loans project in Kenya, with women from the Kamba Tribe. We praise God that 63 new groups have formed! Please continue to pray that this program would reach more women, that it would empower the communities to be able to provide for their families, and that it would continue to be an encouragement.

Haiti – Since August, Tearfund Canada has partnered with 12 christian humanitarian organizations to respond to the Haiti earthquake and flooding crisis. Our response is one small part of a larger \$937,000 project that is being led by World Renew. Please continue to pray for Haitians who have lost everything in the earthquake and flooding. Pray for our partners and local response teams as they seek to address the overwhelming needs. Pray that God would give endurance and hope in the midst of the challenges that are being faced in Haiti.

Thanksgiving – Tearfund Canada has been sustained year after year by the prayers and the gifts of faithful people like you. As we look back in 2021, despite the challenges, we see people empowered, families impacted, and lives transformed. This is all possible because of you. In this new year, please join us as we continue to remember in prayer, and serve the people in most need.

We give thanks to the Lord for all His blessings and provisions to all of us, for the protection and guidance, for healing the sick, especially in this time of pandemic, and for many more!

We give thanks to the Lord for your life, for all the projects that we're able to do, and for everything that He has done. Praise be to our God!
