March 2022

“Even though I walk through the valley of the shadow of death, I will fear no evil,  
for you are with me; your rod and your staff, they comfort me.”

*Psalm 23:4*

**Ukraine** – Pray for God’s peace and reconciliation to overcome war, hatred and conflict in Ukraine. Pray for world leaders to have wisdom, resources and unity to help spur justice and solidarity in that land. Pray also for the first responders, that God would give them courage to continue to do the important work that they’re doing. And finally, we pray for the people who are witnessing loss of lives, being forced to leave homes and livelihoods, that God’s protection, comfort, and providence would be upon them in the midst of this very hard time.

**Ethiopia** – Pray for the farmers in Ethiopia. Most lowland areas were struck by drought in 2021 which resulted in the loss of many crops and cattles. Pray for the rain to come, and that God would sustain and provide for the farmers and their families.

**India** – Please pray for EFICOR, our partner in India as they develop new project proposals for the year. Pray that God would guide them as they continue the amazing work they’re doing for the poor. Pray also for the several states holding ongoing elections.

**DR Congo** – Pray for the farmers of DR Congo, that their crops would continue to produce amazing yields, and

that families would have enough to eat and overcome food insecurity.

Pray also for our partner, the Community of Baptist Churches in Central Africa (CBCA), that God would guide them and give them the strength as they reach and help the most vulnerable.

**Canadian Foodgrains Bank** – We are reminded that conflict is one of the leading causes of hunger, so please pray for all of the conflict situations around the world. Pray for peace and for access to food for the women, men and children caught in the midst of these struggles. We also ask for prayers for Afghanistan and that the Canadian legislatures will find a way for Canadian organizations to send money to aid the thousands that are suffering with the growing humanitarian crisis.

**Tearfund Canada** – We will be meeting as a full staff team for only the second time in two years on March 7-9. Please pray for fruitful strategic discussions and God’s guidance on a new initiative.

Some of our Tearfund team are also starting to travel to Africa and Asia. Part of good stewardship is monitoring

project progress and providing project management expertise. We have not been able to see our partners that you support for two years.

Wayne our CEO, will be travelling to Kenya Ethiopia and Tanzania with staff. Although vaccinations are readily available to anyone in North America, less than 10% of Kenya Ethiopia and Tanzania’s population have been vaccinated. Please pray for justice and that vaccine will be made available across Africa.

Pray also for our third Impact & Action webinar that is happening Wednesday March 30th. We are discussing the Impact of disasters on the poor with our partners, Ramesh Babu and Kuki Rokhum, from EFICOR in India. Pray that those listening would be motivated to respond in love and that we would communicate clearly and respectfully.
