

Prayer Points

April 2022

Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!

Psalm 27:14

Ukraine – Praise God for the generosity we have seen from churches and individuals in Canada in response to the Ukraine Conflict. Please continue to pray that our partners would be able to deliver help where it is needed. Please pray for those who have had to flee the conflict, leaving behind family, livelihoods, and their homes. Pray that God would bring peace and that government leaders would be granted wisdom to navigate the desperate situation.

India – Please pray for EFICOR, our local partner in India, as they conduct situational assessments in Pakur and other project locations, in preparation for a proposal for a new project that will help thousands of people. Pray that God would guide them as they continue the amazing work they're doing for the most vulnerable.

East Africa – Pray for the community of farmers in Ethiopia, Kenya, and Tanzania as they cope with rainfall shortage and looming crop failure and loss. Pray for the rain to come, and that the crops would not wither and be wasted.

DR Congo – Praise God that we could start an exciting new project in the Democratic Republic of Congo that will help thousands of families suffering from food insecurity. This new 3-year project is the first of its kind - involving collaboration between four organizations: Tearfund Canada, Canadian Baptist Ministries, Foodgrains Bank, and the Community of Baptist Churches in Central Africa (CBCA).

Pray that there would be a sense of unity and collaboration among partners. That the church would shine a light in the DRC. And that this project would help many families.

Latin America – Pray for peace and security in Colombia. Because of this year's election, violence has increased since February, leaving thousands of Colombian families displaced from their homes and in a condition of great economic and social vulnerability.

Pray for all the families caught up in the midst of violence, that God's protection and providence would be upon them.

Prayer Points

April 2022

Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!

Psalm 27:14

Lebanon – Pray for the country of Lebanon, especially for those living in informal settlements that are being affected by the winter storms. Pray for our partner, Medair, that their teams will be able to respond quickly and efficiently to provide emergency assistance. Pray also for peace and stability throughout the country as elections approach and campaigning begins.

Tearfund Canada – Please pray for our Impact and Action Webinar series. On April 27th we will hear from our partner Bereket Tassew, who leads the Terepeza Development Association in Ethiopia, one of the world's leading agencies in the implementation of conservation agriculture and savings groups to help families out of poverty. Pray that those listening would be encouraged and motivated to advocate for the poor.

On April 13th, the Tearfund Family from around the world is gathering via zoom to pray. Please pray that our hearts would be centred on unity and hope as we lift up the requests of our teams and those we serve before God. Pray that all technology would run smoothly and that communication would be clear.
