for the Lord God is my strength and my song, and he has become my salvation”

Isaiah 12:2

Hunger Crisis in Africa – Please pray for Africa and the hunger crisis that is happening in most of the countries. Pray for the millions of people in Africa currently at risk of famine and dying of starvation. Pray that resources and support would come to them during this time. Pray that God’s comfort would be upon them in the midst of this hardship and suffering.

Pray also for Tearfund and our local partners as we reach out to the most vulnerable. Pray for the continued implementation of all our programs, programs that wouldn’t be possible without the partnership of our donors such as yourself! Pray that God’s caring hands would wrap around the people of Africa.

Ethiopia – Ethiopia is in a very difficult situation. War, bloodshed, hunger, drought, and economic problems are all taking place right now, threatening the lives and livelihoods of the people.

Pray for peace to reign in the country. Pray for the leaders of Ethiopia, as they deal with the rebel groups. Pray for rain to come, and pray for all the people who do not have enough to eat. Pray for all of the responses

happening, including Tearfund’s, that food and supplies would be able to reach the most vulnerable.

South Sudan – Please pray for the hunger crisis that is being faced by the people of South Sudan, that the most vulnerable would be reached. Pray for our partner, Tearfund South Sudan, as they discern the best way to respond amidst the worsening hunger crisis. Pray for long-term peace and stability in the fragile nation. Pray for healing and restoration for the victims of sexual and gender-based violence, and for our new partner ACDF as they come alongside these victims.

DR Congo – Pray for peace and stability as conflict worsens in Eastern DRC. Pray for protection and wisdom for our partners on the ground. Pray that the most vulnerable would still be reached despite the conflict.

India – Please pray for India, especially the regions that were affected by recent flooding. Please also pray for our local partner, EFICOR, as they prepare their proposal for innovative and sustainable impact among the Malto people where there are very few churches.

Lebanon – Praise God for His provisions to the people of Lebanon and to our partners! Medair have recently expanded their work to the northern part of the country, allowing them to reach out to more people in need.

Please pray as they continue their programs and responses. Pray for the families and individuals in Lebanon, who are struggling to get by due to the economic crisis. Pray that God would provide for their needs as well.

Tearfund Canada – We praise the Lord for new and strengthening connections with pastors and leaders at recent denominational conferences. At Tearfund we are grateful for churches that join with us in following Jesus where the need is greatest.

Please pray for churches here in Canada as they consider participating in Tearfund Sunday this fall, and sharing the story of what God is doing. Pray also that pastors receive wisdom and strength for the days ahead and for a time of renewal and rest over the summer.
