**PRAYER GUIDE**

## **BANGLADESH - ROHINGYA**

About 1 million Rohingya refugees are living in makeshift camps in Southern Bangladesh. Pray that they will be able to return to their homes soon and safely. Pray that as they stay in the camps, they will experience the love of Christ from Christian workers.

## **INDIA**

It is an election year in India which often results in growing religious tensions. Pray for Christians in this charged environment; that God would equip them to shine bright in a country that has many spiritual and physical needs. Pray for our local partner, EFICOR, as they implement two agriculture projects in rural areas; bringing hope.

## **INDONESIA**

This vast island nation is prone to disasters and often experiences tsunamis and earthquakes. Pray for relief from disasters and for our Integral Alliance partners as they facilitate the tsunami relief response on Sulawesi Island.

## **LEBANON**

Pray that God reveals His perfect plan for Syria, re-establishes justice and peace, and protects the Syrian refugees in Lebanon and the surrounding region. Pray that God would continue to bring healing and care for refugees in Lebanon as long as they need it.

## **ETHIOPIA**

Praise God for a new President that seems to have reduced the ethnic tensions and released many from prison who were there on political charges. Pray for our partner, Terepeza Development Association, who is rapidly scaling up conservation agriculture and savings groups to thousands of people.

## **TANZANIA**

Pray for our partner, the Diocese of Central Tanganyika, as they train hundreds of pastors how to practise conservation agriculture – not only to feed their own families (as they themselves are poor), but also to provide an example to their communities.

## **SIERRA LEONE AND LIBERIA**

Pray that God would bless the efforts to overcome poverty and hunger in both Sierra Leone and Liberia. Pray for our partner organizations, the Evangelical Fellowship of Sierra Leone and the Association of Evangelicals of Liberia, as they work towards securing food security in their countries.

## **DR CONGO**

Pray for peace and security in the post-election environment. Pray for our local partner, the Baptist Church in Central Africa, as they work in a region where there is a presence of armed rebels and Ebola – which has still not been contained due to the insecurity.

## **SOUTH SUDAN**

Pray for peace in South Sudan, a country that has experienced so much conflict and famine. Pray for the peace treaty to hold and for the millions of displaced people to be able to return home. Pray also that the curse of hunger would pass and South Sudan would be able to feed its people.

## **KENYA**

Please pray that Christians would continue to help reform this nation plagued with corruption. Also pray for our partner, Fadhili Trust, as they deliver savings and loan services to local communities that empower women to transform their communities.
