“But God shows his love for us in that while we were still sinners, Christ died for us.”

Romans 5:8

Pray for Ethiopia – The war is damaging Ethiopia. Many innocent lives are being lost. Millions are suffering due to the severe drought that has been ravaging the country for years.

Please pray for peace and reconciliation in Ethiopia, and that the war would finally come to an end. Pray also for good weather conditions, that the rain would come.

Pray also for the local churches, that they would serve as a beacon of hope to their communities, and that people would still see God’s grace and mercy, despite these trying times. Pray for revival, not only of the land, but also of people’s hearts and that they would come to know Jesus.

Pray for the DR Congo – Please pray for peace and security in the DR Congo. Last week, a church and a hospital were attacked by the rebels resulting in 7 casualties. Both establishments are owned by our partner the Community of Baptist Church in Central Africa (CBCA). Pray for the families of the victims, that God’s comfort and provision would be upon them in these very hard times.

Pray also for CBCA and all their responses to the most vulnerable. Pray for their strength and protection, and that people would see Christ through their work.

Pray for India – Please pray for EFICOR, our local partner in India, as they lay the groundwork to implement their new community transformation program in Amrapama, Jharkhand state. Pray for God’s guidance to be upon them as they execute this new project.

Pray for Latin America – Pray for the country of Colombia. For families affected by heavy rains in Central America and Colombia. Pray that the Lord would help them recover and rebuild, and that all the families would be safe and sound.

Pray for Tearfund Latin America, as they also continue to work with churches in supporting families in need and women survivors of sexual violence. Pray also for their feeding programs for Venezuelan children.

Pray for Lebanon – Praise God for His provisions to the people of Lebanon and to our partners! Medair have recently expanded their work to the northern part of the country, allowing them to reach out to more people in need.

Please pray as they continue their programs and responses. Pray for the families and individuals in Lebanon, who are struggling to get by due to the economic crisis. Pray that God would provide for their needs as well.
