October 2022

“I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.”

John 16:33

**Pray for Pakistan** – Please continue to pray for Pakistan, that the flood waters would continue to subside and that aid can be delivered quickly. Pray for those who lost loved ones, that God’s comfort would be upon them in this trying times.

Pray for the small local churches and their Pastors as they endeavor to help. We pray that these floods would be an opportunity for the light of Christ to shine brightly!

If you wish to make a tangible contribution to the relief efforts we invite you to donate to our emergency relief fund: [tearfund.ca/donate/emergencyrelief](https://tearfund.ca/donate/emergencyrelief)

**Pray for the Hunger Crisis** – After steadily declining for a decade, world hunger is on the rise, affecting nearly 10% percent of people globally. The worst affected countries are Ethiopia, Nigeria, South Sudan, Afghanistan, Somalia and Yemen, where there are 750,000 people facing starvation and death.

Pray for God’s grace and providence to be upon these countries. Pray for all the families to survive the crisis, and that donations would restore the food supply chain and ensure access to food.

**Pray for India** – Please continue to pray for India, and our local partner, EFICOR. Pray that their ongoing projects would continue to reach out the most vulnerable. Pray also that our partnership with them would only grow stronger.

**Pray for Latin America** – Pray for the country of Colombia. Pray for Tearfund Latin America, as they continue to work with churches in supporting families in need and women survivors of sexual violence. Pray for also for their feeding programs for Venezuelan children.

**Pray for Tearfund Canada** – Please pray for the ongoing Impact & Innovation Conference, a conference that Tearfund Canada is hosting in Ethiopia. 35 leaders have gathered together to learn from each other. The curriculum has been designed by our national leaders improve and enhance delivery of Church-based community transformation, agriculture, savings group, humanitarian aid and creation care methodologies and impact.
