

Prayer Points

April 2023

“May the God of hope fill you with all joy and peace as you trust in Him,
so that you may overflow with hope by the power of the Holy Spirit.”

Romans 15:13

Pray for Türkiye & Syria – Please continue to lift up Türkiye & Syria in your prayers. Pray for the families and individuals who have lost loved ones due to the devastating disaster, that God’s comfort and peace would surround them during this trying time. Pray also for those who have lost their homes, that relief efforts will reach them and that they will find God’s comfort and restoration.

Pray that relief efforts would continue to reach those who need it the most, and for safety and provision for those who are providing relief services.

We praise God for the donations that have been raised for our relief response with ADRA. Pray that the relief efforts would go smoothly, and for God’s hand of guidance during this difficult time.

Pray for Ethiopia – We ask that you continue to pray for the Borena Region in Ethiopia. The drought there has reached unprecedented levels, and crops, wildlife, and livestock are dying daily. Food insecurity is at an all-time high, and people are suffering. Pray for God’s hand of provision, and that relief efforts would continue to reach the most vulnerable.

Pray for sustainable peace in the country of Ethiopia, and that broken lives would be restored. Pray also for our local partner, Terepeza Development Association, as they continue their work and relief efforts.

Pray for Tanzania – Pray for the farmers in Tanzania, as they seek to implement Conservation Agriculture strategies. Pray also for peace in the regional conflicts, including herders and farmers. Pray that the diverse set of tribes in the country can work together to build a prosperous Tanzania, and pray that God would raise up good leaders who will make fair decisions for the whole population.

Pray for the DR Congo – Please continue to lift up the DR Congo in your prayers. Pray for stability and for peace for the families and individuals that live there, as violence continues to spread through the country. War and violence run rampant due to consistent rebel attacks. Pray for God’s peace to spread throughout the land.

Pray for the innocent families that have been caught in the middle of conflict, that God’s comfort and protection would be upon them. Pray that the church would serve as a beacon of hope in this extremely trying time.

Pray for South Sudan – Pray for the women and children of South Sudan. Sexual and gender-based violence is a huge problem in the country, and many women and children are suffering. Pray also for the people of South Sudan experiencing the hunger crisis. Pray that relief efforts would reach them soon, and that the peace of God would surround them.

Prayer Points

April 2023

“May the God of hope fill you with all joy and peace as you trust in Him,
so that you may overflow with hope by the power of the Holy Spirit.”

Romans 15:13

Pray also for our local partner, ACDF, as they discern how to best respond to the hunger crisis, as well as the victims of sexual and gender-based violence. Pray that God would use the church to protect and encourage the victims. Pray for renewal, and that people would come to know Jesus Christ.

Pray for India – Please continue to pray for India. Pray for our local partner, EFICOR, as they work with the Pahardiya tribal community. Crime, limited education, and poor resources has led many of the people to migrate to the cities. Through EFICOR’s projects they have an opportunity to get access to better education and to use their God-given resources more efficiently. Pray for hope to be in each one’s heart, especially the young people, that they would stay to build their communities.

Pray for Ukraine – We ask that you continue to keep the country of Ukraine in your prayers. There continues to be extreme unrest, and parts of the country are continuing to be under threat of attack. Pray for the families and individuals whose homes have been destroyed, or who have lost loved ones.

Pray for peace of mind and wisdom for leaders during this trying and stressful time. Pray for all of the families that have been affected, that they may find comfort and that God would provide for all of their needs.
