

# Prayer Points

May 2024

“For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.”

*Ephesians 2:10*

**Pray for Ethiopia** as it navigates ongoing conflicts and hardships. Pray for enduring peace, harmony, and reconciliation. Ask God to guide its leaders, protect the most vulnerable, and bring global support for relief efforts. Pray also for our local partner, Terepeza, and their members who have recently lost loved ones, asking God to grant them comfort, peace, and strength during this difficult time.

**Pray for the farmers of the DR Congo.** Pray for God’s peace amid threats of attacks, crop damage, and poverty. Many are struggling with mental and emotional burdens, so pray for God’s presence to bring comfort and relief. Pray also for our ongoing work in the region, that it would continue to support and uplift farmers and families.

**Pray for the Malto communities in India.** Pray for a spiritual awakening and the return of faith in their communities. Pray also for relief from harsh weather and water shortages as temperatures rise across the country. Pray for the partner staff travelling to remote areas, asking for their safety and well-being.

**Pray for Kenya** and the several African nations facing climate challenges. Continue to pray, especially for Kenya, where farmers need a reliable and consistent rainfall to ensure a successful harvest. Lift up our landscape restoration initiatives in prayer, asking that they empower and help farmers and communities adapt to a changing climate.

**Pray for regions facing drought and other natural disasters in Tanzania.** Pray for abundant crop growth, ensuring sustenance for the farmers and their families. Pray that God will guide the country’s leaders as they make choices that affect national welfare. Pray for spiritual revival nationwide so people and communities may experience hope and peace.

**Pray for all those affected by the Gaza-Israel war.** There is so much to pray for. Pray for the most vulnerable - the widow, the orphan, the elderly - those caught in the crossfire. Pray that God protects and comforts them. Continue to pray that all the hostages will be released. Pray for our emergency food assistance project, that the food would get to families that need it most, and that would be a big help to those in need. Pray also for peace. We know that our Lord Jesus is the Prince of Peace, and that he calls us to be peacemakers. Finally, pray for the world leaders involved that God would grant them wisdom and that they would seek his face and submit to Him and His will. And that God would be glorified.

**Pray for our staff retreat,** which will take place from May 7th to 9th. Pray that it will be a good time of fellowship and preparation as we seek God’s will and make plans for the upcoming months. Pray especially for the six new summer interns joining us, that they will integrate well and contribute to the amazing work that God is doing through his church all across the world.
