“For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope.”

Jeremiah 29:11

Ethiopia – For many years, civil unrest, violence and crime have plagued Ethiopia. Heavy rain following dry spells leaves the land at risk for flash flooding and landslides.

Pray for:

- access to clean drinking water
- safety for those burdened by conflict and flooding
- for peace and lasting stability throughout the country

DR Congo – Ebola cases continue to rise. Local distrust and a recent healthcare worker strike are disrupting medical care and contact tracing.

Pray for:

- healing for those with Ebola and peace for those who've lost loved ones
- trust in local healthcare to help end the spread of Ebola
- wisdom, strength, and endurance for local churches, our CBCA partners, and healthcare workers

India – India struggles with long term scarcity of clean drinking water and healthcare access. Though heatwaves put stress on agriculture in rural areas, monsoons can unexpectedly bring heavy rain and destructive flooding.

Pray for:

- improved access to clean water and healthcare
- farmers in debt who rely on agriculture as their only income
- weather fluctuations to subside and bring less destruction

Kenya – Praise God! A tree nursery funded by Tearfund planted over 436 000 trees. But Kenya is at risk for intense flooding in the coming months. Costs of living are also continuously rising disproportionately to wealth.

Pray for:

- thanksgiving for successfully restoring land
- for families facing rising food costs and weather changes to have enough to eat
- smoothly shifting to fruit tree farming to support food security

South Sudan – Over half the population faces food shortages, and many children are vulnerable to malnutrition. Nearby conflict and government neglect leave the country in an economic crisis and burdened by violence.

Pray for:

- smooth emergency food distribution from Amaze Day
- better long term food security through agriculture programs
- healing for survivors of sexual and gender based violence
- improved governance and systems that help the country recover from inflation

“For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope.”

Jeremiah 29:11

Tanzania – Tanzania’s economy is shifting—steady growth will be needed to create jobs and keep the cost of living manageable. The country also faces severe El Nino flooding risks.

Pray for:

- wisdom for leaders managing national resources and investments
- jobs and affordable living costs for families working toward self sufficiency
- protection for people vulnerable to flooding and landslides

Tearfund Canada – We are filling new staff positions, and moving forward with new plans for growth in Church and Community Transformation (CCT) programs.

Pray for:

- wisdom in planning for new CCT initiatives and stewarding resources
- providence for passionate staff to fill new positions
- strong global church partnerships and partnerships with supporters

Bring Back the Buffalo Project – Following a successful herd transport in May, plans are in motion to develop the next herd. We thank God for the meaningful connections being made with First Nations communities.

Pray for:

- strong buffalo herds and healthy land to sustain them
- continued growth and healing of relationships with Canada’s indigenous groups
- unity within the Canadian Church
